DONATION OF CHAPEL

Generous Gift by W. K. Azbill to Christian Church.

The trustees of the Christian church of Honolulu have signed an acceptance from Rev. W. K. Azbill, now at Columbia, Kentucky, of his generous offer of his mission chapel in Palama, on certain terms and conditions as proposed by him. These include the following: "That mission work in said chapel is to be carried on under the supervision of said church in Honolulu for the benefit of the Japanese and of other foreign people in this city."

As the chapel donated cost Mr. Azbill about \$2000, the church greatly appreciates the gift.

Mrs. Anderson, a prominent society woman of Jacksonville, Fla., daughter of Recorder of Deeds, West, who witnessed her signature to the following letter, praises **Lydia E. Pinkham's Vegetable Compound.**

"DEAR MRS. PINKHAM:—There are but few wives and mothers who have not at times endured agonies and such pain as only women know. I wish such women knew the value of Lydia E. Pinkham's Vegetable Compound. It is a remarkable medicine, different in action from any I ever knew and thoroughly reliable."

"I have seen cases where women doctored for years without permanent benefit, who were cured in less than three months after taking your Vegetable Compound, while others who were chronic and incurable came out cured, happy, and in perfect health after a thorough treatment with this medicine. I have never used it myself without gaining great benefit. A few doses restores my strength and appetite, and tones up the entire system. Your medicine has been tried and found true, hence I fully endorse it."—Mrs. R. A. ANDERSON, 225 Washington St., Jacksonville, Fla.

—Mrs. Reed, 2425 E. Cumberland St., Philadelphia, Pa., says:

"DEAR MRS. PINKHAM:—I feel it my duty to write and tell you the good I have received from Lydia E. Pinkham's Vegetable Compound."

"I have been a great sufferer with female trouble, trying different doctors and medicines with no benefit. Two years ago I went under an operation, and it left me in a very weak condition. I had stomach trouble, backache, headache, palpitation of the heart, and was very nervous; in fact, I ached all over. I find yours is the only medicine that reaches such troubles, and would cheerfully recommend Lydia E. Pinkham's Vegetable Compound to all suffering women."

When women are troubled with irregular or painful menstruation, weakness, leucorrhoea, displacement or ulceration of the womb, that bearing-down feeling, inflammation of the ovaries, backache, flatulence, general debility, indigestion, and nervous prostration, they should remember there is one tried and true remedy. Lydia E. Pinkham's Vegetable Compound at once removes such troubles.

The experience and testimony of some of the most noted women of America go to prove, beyond a question, that Lydia E. Pinkham's Vegetable Compound will correct all such trouble at once by removing the cause and restoring the organs to a healthy and normal condition. If in doubt, write Mrs. Pinkham at Lynn, Mass., as thousands do. Her advice is free and helpful.

No other medicine for women in the world has received such widespread and unqualified endorsement. No other medicine has such a record of cures of female troubles. Refuse to buy any substitute.

\$5000 FORFEIT if we cannot forthwith produce the original letters and signatures of above testimonials, which will prove their absolute genuineness.

DR. WILE IS DINED

Brilliant Festive Board Spread by Alex. Young.

Alexander Young's dinner to Dr. Wile of Danbury, Conn., at the Alexander Young Hotel last night was brilliant in all respects. An oval table was set for thirty-three guests in the European dining room. Mr. Young presided, with Miss Bertha Young at the opposite end of the table. Mrs. S. B. Dole sat on Mr. Young's right and Gov. Carter on his left. Dr. Wile was next to Miss Young on the right and Judge Sanford B. Dole on the left. The other seats were occupied as follows: W. G. Irwin, Mrs. Cooper, Mr. Baird, Dr. McGrew, Mrs. Herbert, Mr. Cleghorn, Mrs. Anderson, Mrs. Geo. Davies, Mr. Breckons, Mr. Schaefer, Mrs. Cofer, Mr. Geo. Davies, Mrs. Breckons, Mr. Swanzey, Mrs. von Hamm, Dr. Cooper, Mrs. Parker, Dr. Cofer, S. Parker, Mrs. Schaefer, Dr. Herbert, Mrs. McGrew, Mr. Pinkham, A. A. Young, Miss Gillett, Mr. von Hamm, Mr. Stackable.

Miss Young planned the decorations, the color scheme being pink. A serpentine effect was given with maiden-hair and asparagus ferns, amidst which were mingled pink carnations and tulles. Chandeliers and candelabra were shaded in pink, the table lights being artistically disposed. Beautiful vistas were met whichever way the eye roamed over the table.

Dr. Wile made a delightful speech, followed by Governor Carter, Judge Dole and others, in response to toasts. Mr. Irwin responded gracefully for the ladies.

WARFIELD MAY COME

To Take Charge of the Hawaiian Hotel.

General Warfield, lately at the head of the California Hotel Company in San Francisco, and one of the most popular bonifaces on the Pacific Coast, may come to Honolulu in the near future to take a hand in the management of the Royal Hawaiian Hotel. Mr. J. O. Carter, who represents bonded obligations of the hotel, stated sometime ago that General Warfield was desirous of coming here to engage in the hotel business. He has had interests connected with the Royal Hawaiian Hotel.

The bondholders have already assumed charge of the Hawaiian Hotel and its affairs. Negotiations to this end have been in progress for some time. The hotel is owned by a corporation which issued bonds to the amount of \$150,000. Failure to keep pace with the interest is said to be the reason for the move on the part of the bondholders.

The prospect is that the hotel may be kept open until the end of the year when the lease will be offered for sale. The Hawaiian Hotel is known the world over. In the palmy days of the monarchy the Hawaiian was considered a palatial hostelry. It was frequented by royalty, King Kalakaua often going there evenings. The hotel has always been considered especially adapted to the island climate. Its great lanais are of especial interest to visitors as it gives them an opportunity to enjoy the half out-of-door life led by most residents.

FUTURE PLANS OF MANAGER LAKE

It is rumored that upon the expiration of his contract with the Alexander Young Hotel in August of next year H. Wingate Lake may retire from its management and take a hotel on the coast. It is said that had circumstances here permitted, Mr. Lake could have had the management of the St. Francis hotel in San Francisco.

COURT NOTES.

THE FREE DISPENSARY IS TREATING THE TRACHOMA

Honolulu, Hawaii, November 7, 1904.

Editor Advertiser: After consulting with competent authorities, I beg to say:

The eye is the most delicate, sensitive and easily injured part of the human body, and should not be treated by those who do not fully understand that organ.

The remedies necessary are such as, wrongfully used, may be injurious, hence, we deem it inadvisable to publish any formula.

The Free Dispensary, on Queen street, Judiciary grounds, is open from 8 to 12 a. m. and 1 to 4:30 p. m., where children can receive proper treatment.

Dr. W. L. Moore is daily in attendance at the various schools, and will continue until the disease is eradicated.

Those able and so disposed, should consult their private physician.

A few general directions may be useful.

The disease is spread by contact, that is, from person to person, or by some article handled, so they must not use anything in common with the well children and should not touch each other's clothing.

A bit of cotton is best for wiping the sore eyes. This should be burned after using and never used a second time.

While annoying, there is no occasion for alarm over this eye trouble "Trachoma," so long as it receives prompt attention, as is now the case.
